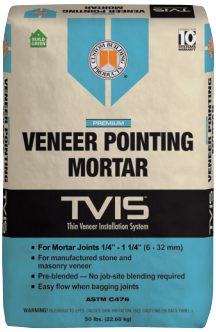
# TVIS™

Thin Veneer Installation System



## PREMIUM VENEER POINTING MORTAR

TVIS Premium Veneer Pointing Mortar produces hard, dense joints that resist shrinking, cracking and wear. Veneer Pointing Mortar is formulated with gauged sand for easy flow, durability, color consistency and quick curing. Use TVIS Premium Pointing Mortar for 1/4″ – 1-1/2″ (2.5 – 15 mm) joints for interior or exterior installations. Available in 7 standard colors.

Charcoal #60

Pewter #19

Natural Gray #09

Quarry Red Clay #96

Sable Brown #95

Light Smoke #145

Fawn #156

*Sample colors shown approximate as nearly as possible the color of the mortar. Final installed color may vary due to differing installation techniques or jobsite conditions.*
